Open Water Course **\$249***
(Retail \$350)

**Course includes online course, class and pool sessions, usage of gear during pool sessions*

Step 1 – Complete your online course, classroom session, and pool training

First step to complete your Open Water Course is complete your online course class. Stop by or call the shop to obtain your own username and passcode. You can use an app on your phone, desktop computer or tablet to complete the online sections of your open water course. You will have 24/7 access to this to complete your online course at your leisure.

Once you have completed ***“ALL”*** your online training classes it is now time to schedule your classroom and pool sessions. We have class and pool sessions scheduled twice a month for your convenience. Semi-private or private classes are available for an additional fee.

The only gear you need to provide for pool session is your own personal dive gear (mask, fins, snorkel, dive booties & weights). This gear is critical for being

properly fitted to you. Comfort and fit are the two most important features you should be looking for when purchasing personal dive gear so borrowing or online gear purchasing is strongly NOT advised. What we offer at our store that you will not receive from purchasing your gear online is a one-on-one personal gear fitting session with you to ensure proper fitting and also the ability to exchange any gear that may not properly fit you after pool sessions.

Step 2 – Florida Certification Dive Weekend!

Open Water Certification **\$495**

Includes: Lodging (Saturday), Lunch and Dinner (Saturday), breakfast (Sunday), snacks, drinks, dive entry fees, certification card, instructor fees, rental gear. Add \$55 to the above cost for Friday night stay and breakfast (Saturday).

Not included: Transportation to and from Florida. There is a \$75 per student charge for any referrals needed.

You will travel to the sunny destination of Florida to Vortex and Morrison Springs with us on your first diving adventure! Led by one of our staff instructors, you will make 4 – 6 incredible dives this weekend at Vortex and Morrison Springs. (Weather Permitted)

Continuing Education Courses

Advanced Open Water **\$195**

Course includes book package, instructor fees, and certification card. Certification dives are additional. Learn to night dive, navigate underwater, control your buoyancy, explore the outside of a wreck, take photos of the sea life, and even go to depths up to 100 feet. ***(Retail \$295)***

Enriched Air Course **\$99**

Course includes online course, instructor fees and certification card. Diving enriched air lets you safely extend your no decompression limits, which means more time underwater and shorter surface intervals. ***(Retail \$175)***

Rescue Course **\$249**

Course includes book package, instructor fees and certification card. This course goes over how to approach a stressed diver, learn to search for lost objects, and know you can take care of someone if there was an emergency. ***(Retail \$350)***

****All classes and pool sessions must be finished by the last class and pool scheduled date in April 2022.***
