

## **Step 1 – Complete your online course, classroom session, and pool training**

### Open Water Course **\$395**

Course includes online course. Then choose between a weekend or weeknight class and pool session. All students receive DISCOUNTS off any gear purchases. See the underwater world at depths up to 60ft.

First step to complete your Open Water Course is complete your online course that you have obtain from our shop with your own username and passcode.

Once you obtain your username and passcode you are ready to complete your online class. You will have 24/7 access to online reading material, videos, quizzes, and exams to complete at your leisure. All of your online course work must be completed before you can attend class and pool sessions.

Once you have completed “**ALL**” your online training classes it is now time to schedule your classroom and pool sessions. We have a yearly calendar schedule of classroom and pool sessions for you to choose from. Semi-private or private classes are available for an additional fee.

The only gear you need to provide for pool session is your own **personal dive gear (mask, fins, snorkel, dive booties & weights)**. This gear is critical for being

properly fitted to you. Comfort and fit is the two most important features you should be looking for when purchasing personal dive gear so borrowing or online gear purchasing is strongly NOT advised. What we offer at our store that you will not receive from purchasing your gear online is a one on one personal gear fitting session with you to ensure proper fitting and also the ability to exchange any gear that doesn't properly fit you after pool sessions.

## **Step 2 – Florida Certification Dive Weekend!**

### Open Water Certification **\$495**
